LOOKING FOR SPACE? The Tivoli offers over 4,200 sq. ft. of comfortable living with 5 bedrooms and 3.5 baths. Available in brick or siding, its striking exterior and wraparound porch opens to a grand two-story foyer and a coffered formal dining room. The great room, kitchen, and breakfast room share one large space, and there is a separate bonus room, loft, and office upstairs. The Tivoli's chef's kitchen offers a sink island with seating, upgraded appliance package, and a convenient walk-in pantry. Privately situated, the master suite on main features a freestanding tub, walk-in tile shower, dual vanities, and a separate toilet closet. The master suite also has a large walk-in closet. A guest suite with a connected full bath and walk-in closet completes the main level. Upstairs, there are two bedrooms, each with a walk-in closet, and three bathrooms. The expansive covered back porch is perfect for evening relaxation! Call today for more information!

Price Disclaimer - Please Note:
This price is based on structure only, built to our standards assuming a slab-on-grade foundation. It does not include lot-specific items such as grading, driveway, landscaping, etc.

Renderings often show raised foundations, masonry chimneys, upgraded garage doors, and upgraded front doors, which may be considered upgrades depending on the plan selected. Renderings may also depict a different window grid pattern or style than what is shown in the actual building plans.

Please consult your local design consultant for full details and accurate pricing based on your lot and selected finishes.
