Legacy Plan | 4 BR | 3.0 BA | 2721.1 Sq. Feet | 66.04 Depth | 57.83 Width

AVAILABLE IN YOUR CHOICE OF BRICK OR SIDING! The Davenport has 4 bedrooms, 3 bathrooms, and over 2,700 square feet of comfortable living space. The Davenport has a stunning vaulted great room that overlooks the back porch and backyard and is open to the kitchen. The Davenport is also notable for having two eating areas: the breakfast room is ideal for casual meals, whereas the dining room is ideal for more formal gatherings. The kitchen has a sink island with seating and a walk-in pantry. The master suite has a tray ceiling and a master bath with a freestanding tub, tile walk-in shower, dual vanities, a private toilet closet, and a large walk-in closet. Additional bedrooms are located on a shared hallway off the great room and both have double-door closets. Covered front and back porches make entertaining guests a breeze. The space on the 2nd floor can be used as a large bedroom with private bath, or as a Bonus Room. The Davenport can be tailored to become your dream home.

*** Price Disclaimer - Please Note – This price is based on structure only built to our standards assuming a slab on grade foundation. No account is taken into for lot specific items such as grading, driveway, landscape, etc. Renderings often show raised foundations, masonry chimneys and upgraded front doors which are potentially upgrades depending on the plan selected. Renderings often show a different grid pattern or window style than what the Building Plans show. Consult with your local design consultant for further details.**
