SPLIT BEDROOMS PLUS A BONUS SUITE! The Maxwell comes in two designs, with either brick or siding, boasting 5 bedrooms, 4 bathrooms, and over 3,700 square feet. Inside, discover a warm foyer, a dining room with a coffered ceiling, and a spacious open living area that includes a vaulted great room, kitchen, and breakfast room. The kitchen has a layout that includes an oversized sink and seating island, walk-in pantry, and an abundance of cabinet and counter space. The Maxwell's two dining areas include a breakfast room and a separate dining room. The master suite has excellent natural light and an oasis master bath with freestanding tub, tile walk-in shower, dual vanities, and separate toilet closet, and the master walk-in closet connects to the laundry room. Three bedrooms and two full bathrooms occupy the opposite side of the home, and upstairs there is a massive bonus suite with a bedroom and full bath. The Maxwell can be tailored in many ways. Price Disclaimer - Please Note:

This price is based on structure only, built to our standards assuming a slab-on-grade foundation. It does not include lot-specific items such as grading, driveway, landscaping, etc.

Renderings often show raised foundations, masonry chimneys, upgraded garage doors, and upgraded front doors, which may be considered upgrades depending on the plan selected. Renderings may also depict a different window grid pattern or style than what is shown in the actual building plans.

Please consult your local design consultant for full details and accurate pricing based on your lot and selected finishes.
