Legacy Plan | 4 BR | 3.0 BA | 2344.8 Sq. Feet | 39.79 Depth | 97.96 Width

CLASSIC COUNTRY CHARM! At more than 2,300 square feet of heated space, the Johnston has enough room for entertaining, with 4 bedrooms and 3 bathrooms. The vaulted great room, which is open to the kitchen and breakfast room, features a centrally located fireplace and lots of natural light. The kitchen has an island, plenty of counter and cabinet space, and excellent views from the sink windows. All bedrooms and bathrooms are accessed by a hallway off the great room. The master suite features a stately bedroom with vaulted ceiling, spa-like bathroom with freestanding tub, tile walk-in shower, dual vanities, a separate toilet closet, and walk-in closet. The additional bedrooms are amply sized, feature excellent closet space, with bedroom 4 even featuring a private bath and oversized walk-in closet. A hallway off the kitchen features direct access to your 2-car garage, walk-in pantry, and laundry room. Please contact us today for more information.

*** Price Disclaimer - Please Note – This price is based on structure only built to our standards assuming a slab on grade foundation. No account is taken into for lot specific items such as grading, driveway, landscape, etc. Renderings often show raised foundations, masonry chimneys and upgraded front doors which are potentially upgrades depending on the plan selected. Renderings often show a different grid pattern or window style than what the Building Plans show. Consult with your local design consultant for further details.**
