DIAL UP THE SOUTHERN CHARM! The Stokely is a country home design with over 1,800 square feet of comfortable living area, 3 bedrooms, 2 bathrooms, a large living area that truly maximizes openness, not to mention the stunning wraparound front porch. The Stokely's vaulted great room, breakfast room, and kitchen are essentially one large space, making it ideal for families who want to spend time together. The Stokely's kitchen provides excellent views from the dual sink windows overlooking the backyard, as well as a great island with seating on two sides. A walk-in pantry with plenty of storage space is also located at the kitchen. The Stokely features a customer-favorite split bedroom plan with a stately master suite that includes a tile walk-in shower, dual vanities, a dedicated toilet closet, and plenty of walk-in closet space. The two additional bedrooms are on the opposite side of the house and are both well-sized with plenty of closet space. Call today for more information.

*** Price Disclaimer - Please Note – This price is based on structure only built to our standards assuming a slab on grade foundation. No account is taken into for lot specific items such as grading, driveway, landscape, etc. Renderings often show raised foundations, masonry chimneys and upgraded front doors which are potentially upgrades depending on the plan selected. Renderings often show a different grid pattern or window style than what the Building Plans show. Consult with your local design consultant for further details.**
