Legacy Plan | 4 BR | 4.5 BA | 3671.2 Sq. Feet | 73.79 Depth | 89.38 Width

THE DEFINITION OF LUXURY! The Willow offers nearly 3,700 square feet of comfortable living space with 4 bedrooms and 4.5 bathrooms. Majestic double doors lead you to an inviting foyer and ultimately the main living space – seamlessly connecting the great room, kitchen, and breakfast room. The kitchen boasts ample cabinet space, a spacious island with seating, a chef's appliance package, and a butler's pantry with space for a second refrigerator, as well as a walk-in pantry. From the breakfast room, step onto the vaulted back porch. The master suite is truly fit for royalty, with appointments including a vaulted ceiling, oversized walk-in closet with laundry room access, and an oasis bath with freestanding tub, walk-in shower, dual vanities, and private toilet closet. Upstairs, there is a bonus room, bedroom, and bath — ideal for an in-law suite. Ample storage, a private study, and a garage entry foyer with a built-in bench complete the Willow's interior. **\* Price Disclaimer - Please Note – This price is based on structure only built to our standards assuming a slab on grade foundation. No account is taken into for lot specific items such as grading, driveway, landscape, etc. Renderings often show raised foundations, masonry chimneys and upgraded front doors which are potentially upgrades depending on the plan selected. Renderings often show a different grid pattern or window style than what the Building Plans show. Consult with your local design consultant for further details.**
