SHOWSTOPPING RANCH FLOOR PLAN – AVAILABLE IN YOUR CHOICE OF BRICK OR SIDING! The Nantucket is a lovely one-story home design with 3 bedrooms, 2 bathrooms, over 2,200 heated square feet, and an open concept living area that is sure to delight! The central family room features a vaulted ceiling and is open to the oversized kitchen and adjacent dining spaces, making it ideal for entertaining guests and parties of any size. The Nantucket was designed with privacy in mind, with the split bedroom floor plan affording a secluded master suite, which features a spa-like master bath with a skirted garden tub, separate tile walk-in shower, and dual vanities. The master suite also has a walk-in closet, ideal for any shopaholic. A separate hallway off the great room leads to two generously sized bedrooms, each with ample closet space and a shared hallway bath. Relax outside on your covered front and back porches! The Nantucket can be customized in a variety of ways! Call today to learn more!

***\* Price Disclaimer - Please Note – This price is based on structure only built to our standards assuming a slab on grade foundation. No account is taken into for lot specific items such as grading, driveway, landscape, etc. Renderings often show raised foundations, masonry chimneys and upgraded front doors which are potentially upgrades depending on the plan selected. Renderings often show a different grid pattern or window style than what the Building Plans show. Consult with your local design consultant for further details.***
