Legacy Plan | 4 BR | 3.5 BA | 3595.5 Sq. Feet | 76.92 Depth | 125.58 Width

A GRAND SOUTHERN HOME! The Richmond Hill features 4 bedrooms, 3.5 bathrooms, a 4-car garage, nearly 3,700 square feet of heated living space, and over 1,000 square feet of covered porch space. A foyer with double doors leads to an expansive living area in which the great room, breakfast room, and kitchen are combined into a single space. Ample cabinet and counter space, an oversized seating island, and a walk-in pantry are offered in the kitchen. The kitchen is also equipped with a wall oven, a wall microwave, a separate cooktop, and a range hood. The master suite has numerous windows for ample natural light, a spacious walk-in closet, and a spa-like master bathroom with a freestanding tub, HUGE tile walk-in shower, oversized dual split vanities, and a separate toilet closet. Three additional bedrooms, each with a walk-in closet and direct access to a full bath, a large rec room, and an oversized laundry room complete the Richmond Hill's interior. **Price Disclaimer - Please Note:**

*This price is based on structure only, built to our standards assuming a slab-on-grade foundation. It does not include lot-specific items such as grading, driveway, landscaping, etc.*

*Renderings often show raised foundations, masonry chimneys, upgraded garage doors, and upgraded front doors, which may be considered upgrades depending on the plan selected. Renderings may also depict a different window grid pattern or style than what is shown in the actual building plans.*

*Please consult your local design consultant for full details and accurate pricing based on your lot and selected finishes.*
