Legacy Plan | 3 BR | 2.5 BA | 2945.0 Sq. Feet | 66.96 Depth | 64.92 Width

WHEN ALL T'S ARE CROSSED AND ALL I'S ARE DOTTED! The Hillcrest, available in two elevations and in either siding or brick, boasts 3 bedrooms and 2.5 bathrooms. With its numerous features, its 2,945 heated square feet feels even more spacious than it already is. The Hillcrest welcomes you with an open living area that includes a vaulted great room sporting a striking fireplace, a breakfast room, and a kitchen that is essentially one open space. The kitchen in the Hillcrest has a sink window overlooking the backyard, a storage and seating island, and an adjacent walk-in pantry. The master suite, has an oasis master bath with freestanding tub, tile walk-in shower, dual vanities, and separate toilet closet. The other bedrooms are all generously sized, with each having a large walk-in closet and a shared Jack-and-Jill bath. Upstairs, there's a massive loft/bonus room big enough for any hobby you can think of. Call today for more information.

Price Disclaimer - Please Note:

This price is based on structure only, built to our standards assuming a slab-on-grade foundation. It does not include lot-specific items such as grading, driveway, landscaping, etc.

Renderings often show raised foundations, masonry chimneys, upgraded garage doors, and upgraded front doors, which may be considered upgrades depending on the plan selected. Renderings may also depict a different window grid pattern or style than what is shown in the actual building plans.

Please consult your local design consultant for full details and accurate pricing based on your lot and selected finishes.
