Legacy Plan | 3 BR | 2.5 BA | 2919.4 Sq. Feet | 79.25 Depth | 63.67 Width

WHEN ONLY THE BEST WILL DO! The Kingston, available in your choice of brick or siding, is a 3 bedroom, 2.5 bathroom, single-story home design with over 2,900 square feet of heated living area. The Kingston's great room is open to the kitchen, breakfast room, and oversized back porch, making the Kingston a true entertainer's delight. The oversized breakfast room is the ideal place for dining, as it is only steps away from the kitchen and great room. The master suite has its own private rear porch access and huge master bath with oversized tile walk-in shower, freestanding tub, dual vanities, dedicated toilet closet, and spacious walk-in closets. The other bedrooms are on the other side of the house, and they are both generously sized. The interior of the Kingston is completed by an entry foyer that provides access to the 2-car garage as well as the laundry room. For more information, please contact us today.

*** Price Disclaimer - Please Note – This price is based on structure only built to our standards assuming a slab on grade foundation. No account is taken into for lot specific items such as grading, driveway, landscape, etc. Renderings often show raised foundations, masonry chimneys and upgraded front doors which are potentially upgrades depending on the plan selected. Renderings often show a different grid pattern or window style than what the Building Plans show. Consult with your local design consultant for further details.**
