Legacy Plan | 4 BR | 3.0 BA | 3042.0 Sq. Feet | 66.46 Depth | 71.71 Width

WHEN ONLY THE BEST WILL DO! The Castlebury, available in brick or siding, has 4 bedrooms, 3 bathrooms, and over 3,000 square feet of heated living area. The Castlebury’s great room and kitchen share a soaring vaulted ceiling. The breakfast room is the ideal place for dining, only steps away from the kitchen and great room. The kitchen features a sink island with seating and an appliance package that includes a cooktop, range hood, wall oven, wall microwave, and dishwasher. The kitchen has its own walk-in pantry, but there is also a butler’s pantry off the great room. The master suite has a vaulted ceiling and master bath with oversized tile walk-in shower, freestanding tub, dual vanities, toilet closet, and walk-in closet. All of the bedrooms have walk-in closets, bedrooms 2 and 3 share a hall bath, and bedroom 4 has a private bath. The interior of the is completed by an entry foyer and oversized laundry room. Outside, the large front and back porch continue the theme of entertaining.

**** Price Disclaimer - Please Note – This price is based on structure only built to our standards assuming a slab on grade foundation. No account is taken into for lot specific items such as grading, driveway, landscape, etc. Renderings often show raised foundations, masonry chimneys and upgraded front doors which are potentially upgrades depending on the plan selected. Renderings often show a different grid pattern or window style than what the Building Plans show. Consult with your local design consultant for further details.***
